

AMENDMENTS TO THE CLAIMS

1. (Cancelled).

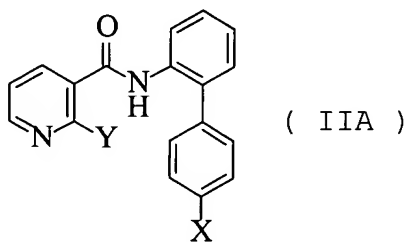

2. (Currently Amended) A fungicidal mixture, comprising:

A) a compound of the formula I

and

B) a biphenylamide of the formula IIA

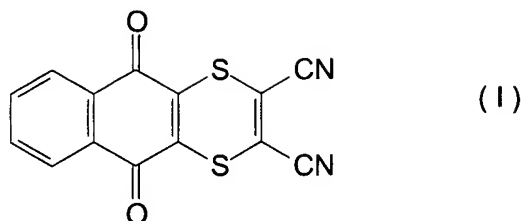

in which X is halogen and Y is halogen or trifluoromethyl

in a synergistically effective amount.

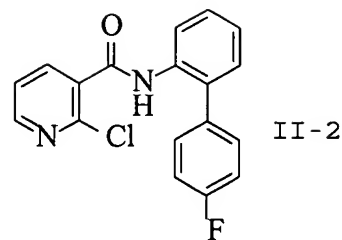

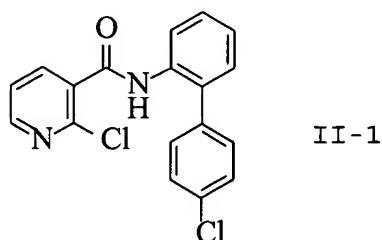

3. (Currently Amended) A fungicidal mixture, ~~comprising~~ as claimed in claim 2, said mixture comprising:

A) a compound of the formula I

and

B) a biphenylamide compound of formula II-1 or II-2

in a synergistically effective amount.

4. (Previously Presented) A fungicidal mixture as claimed in claim 2, wherein the weight ratio of the compound of formula I to the compound of formula IIA is from 100:1 to 1:10.

5. (Previously Presented) A fungicidal composition, comprising a solid or liquid carrier and a mixture as claimed in claim 2.

6. (Previously Presented) A method for controlling harmful fungi, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with synergistically effective amounts of the compound of the formula I and a compound of the formula IIA as set forth in claim 2.

7. (Previously Presented) A method as claimed in claim 6, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with from 5 to 2 000 g/ha of the compound of formula I.

8. (Previously Presented) A method as claimed in claim 6, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with from 5 to 500 g/ha of at least one compound of formula IIA.

9. (Cancelled).

10. (Previously Presented) A fungicidal mixture as claimed in claim 3, wherein the weight ratio of the compound of formula I to the compound of formula II-1 or II-2 is from 100:1 to 1:10.

11. (Previously Presented) A fungicidal composition, comprising a solid or liquid carrier and a mixture as claimed in claim 3.

12. (Previously Presented) A method for controlling harmful fungi, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with synergistically effective amounts of the compound of the formula I and a compound of the formula II-1 or II-2 as set forth in claim 3.

13. (Previously Presented) A method as claimed in claim 12, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with from 5 to 2 000 g/ha of the compound of formula I.

14. (Previously Presented) A method as claimed in claim 6, which comprises treating the harmful fungi, their habitat, or the plants, seeds, soils, areas, materials or spaces to be kept free from them with from 5 to 500 g/ha of at least one compound of formula II-1 or II-2.
